- (e) If the Seller fails to promptly perform the services again or to take the necessary action to ensure future performance in conformity with Purchase Order requirements, the Buyer may (1) by contract or otherwise, perform the

services and charge to the Seller any cost incurred by the Buyer that is directly related to the performance of such service or (2) terminate the Purchase Order for default.

- (c) Upon satisfactory completion by the Seller and acceptance by the Buyer of the work done by the Seller under the "Statement of Architect-Engineer Services", the Seller will be paid the unpaid balance of any money due for work under the statement, including retained percentages relating to this portion of the work. If the Seller is required to correct or re-perform, it shall be at no cost to the Buyer. Any services corrected or re-performed by the Seller pursuant to this clause shall be subject to all provisions of this clause to the same extent as work initially performed. Any and all products provided hereunder will be Year 2000 compliant at the time of delivery to Lockheed Martin Corporation (Lockheed Martin), including but not limited to accurately inputting, storing, manipulating, comparing, calculating, updating, displaying, outputting, and transferring such dates and data unless otherwise expressly provided herein by Lockheed Martin.

If the defective good or service is being presented for acceptance or has already been delivered, at Lockheed Martin's option, the defective good or service shall be repaired or replaced within ten (10) business days of such notice at no cost to Lockheed Martin.

Nothing in this provision shall be construed to limit any other rights or remedies under this contract, at law or in equity that Lockheed Martin may have with respect to Year 2000 compliance.

The Seller must assert its right to an adjustment under this clause within 20 days from the date of receipt of the written order. If the Seller's proposal includes the cost of property made obsolete or excess by the change, the Buyer shall have the right to prescribe the manner of the disposition of the property.
